

Welcome to.....

The Heatherfield

I hope you find the enclosed information helpful and will provide all the information about the unique service we offer at Annitsford. The Heatherfield is unique in offering services for older people and operating a specialist care facility within one care home setting. Within the information pack you will find more details of the therapeutic values which underpin our services. These include a full activity diary, physiotherapy programmes, cinema, and a full restaurant menu with a range of dining and recreational lounges.

Our Specialist Care Unit offers support for a range of demands including, Spinal Injury, Acquired Brain Injury, Huntington's Chorea, Muscular Dystrophy, Learning Disabilities often with multiple diagnosis. Our specialist rooms have integral hoisting equipment and staff are well trained and equipped to meet these challenges. Specialist training is available for specialised medical intervention or support.

Our dedicated Respite Service offers hotel style facilities where residents have full access to a dedicated room with a television, music centre with Sky Sports and broadband internet access available. All they have to do is arrive !!!!!!!!!!!!!!!

Please feel free to contact the home or visit at any time convenient to you for more information.

Kind Regards

Robert Lamb
CEO
Heatherfield Care Group
